DECEMBER 2015

Welcome to our newsletter.....

As the year comes to a close, we would like to thank all of our parents/ carers for their continued support over the past 10 months. It has been a very busy year for us all here at The Railway Nursery and a very exciting one too! We would like to share some of our highlights with you;

January - Our Open Day. One of the first times all the staff got to meet each other and show off our nursery to all the visitors.

February - We officially opened the nursery! Staff are being inducted and the Milton boys are our first children to explore lots of fun activities!

March - World Book Day, the children and staff came to nursery dressed as their favourite character. We also took a trip to the library together to share stories.

April - Easter! The children and parents enjoyed lots of activities, including an egg and spoon race.

May - Family Fun Day! A happy day full of fun and a visit from Peppa Pig. It was also a very busy day and we loved seeing everybody together. It was a good opportunity for families to meet each other. We will definitely be having another fun day in 2016.

June - The children and staff love going out and about in our village, Bramhall. We frequently make stops to the grocery shop to treat ourselves to a healthy snack.

July - Choo Choo! The toddlers and pre school enjoyed another trip. They took the train to Piccadilly and had their snack there. It was all very exciting when the children were asked for their tickets and they got to see busy Manchester train station.

August - Something else the older children like to do is surprise their families with special post. The walk to the post box helps with Road Safety Awareness, the children use the traffic lights to cross the road and always hold hands with their key person.

September - This was a happy and sad moment at The Railway Nursery. Some of our pre school children graduated nursery and were ready to go to 'Big School' We had a party to celebrate everything the children had achieved whilst with us at nursery.

October - Grandparents Day was celebrated by having a British tea party and making different crafts in our garden. The children loved showing off their nursery to their grandparents.

November - Bonfire night was very exciting for all. Everybody got to toast a marshmallow on the fire. Don't worry we made sure this activity was done 1:1 with the children to keep us all safe.

December - What an action packed month! Father Christmas came to visit. The children had sing alongs with their parents. A Christmas party, and lots and lots of Christmas crafts throughout the month. Merry Christmas everybody!

Our team

We have all been working very hard this month to celebrate Christmas, organise sing alongs and explore a variety of Christmas crafts.
